Position Title: Rep Coach

Reports To: Technical Director

Start date: October 1, 2023

Job Overview

Rep coaches will support our rep development program by facilitating sessions within the team of appointment, provide age group leadership, strategic development, and yearly development planning. Rep coaches are leaders on the field and are responsible for set up, following a session plan, providing a positive playing experience to all players, developing all players within the age group, and providing feedback to all major stakeholders (players, parents, and the club).

Job Duties & Responsibilities

- Follow a session plan in accordance with Long Term Player Development.
- Lead/coach a group of players within the training environment.
- Conduct field setup and session preparation to ensure that players are developing in accordance to the age group objectives and developmental outcomes.
- Deliver exceptional customer service (including welcoming, conduct and communication) to all participants.
- Ensure on-site safety of participants.
- Work cooperatively with other coaches, club officials, and any other volunteers.
- Attend coach development sessions as scheduled by Guelph Soccer Technical Director.
- Conduct on-going player feedback and parent communication.
- Full certifications are required before the commencement of the season.
- Complete a yearly development plan alongside Guelph Soccer Technical Director
- Other duties as assigned and required by GS Technical Director

Coaching Pledge

I pledge to;

- Develop as many players as possible, for as long as possible, in the best environment as possible.
- Attain all Coaching Certification before the commencement of the season.
- Provide the best possible learning environment for our players.
- Be transformational in all my coaching actions.
- Uphold myself to the highest possible standards where the athlete is at the centre of our decision-making process and where we will always do what is in the best interest of the athlete instead of what may be easy and most convenient.
